Message From the Governor

Lee Hardin Woody

Compact Day and Thanksgiving are just around the corner! We hope that you are making plans to attend our Compact Day Luncheon which will be held on Saturday, November 17, 2018, at The Commonwealth Club in Richmond.

Please be sure to send in your Luncheon Reservation Form as soon as possible to Miss Mildred Ramos. Our speaker this fall will be Whit Perry, Plimoth Plantation's Director of Maritime Preservation and Operations. Mr. Perry's topic will be about the restoration of the Mayflower II. You will not want to miss this special talk!

During the November luncheon, we will be holding our sixth annual silent auction before the meeting to raise money to help support our Mildred Ramos Scholarship program as well as collect Pennies for Planks (POP). Monies collected for POP will go towards the Mayflower II restoration fund.

The General Society of Mayflower Descendants General Board of Assistants met September 5-9, 2018 in St. Charles, Illinois. Our Society was represented by Former Governor General Mildred Ramos and Deputy Governor James Maloney. Topics discussed included voting on proposed changes regarding assessment fees and lineage assessment fees. Our state delegates look forward to sharing their experiences with you at the November meeting.

Enclosed in this newsletter you will find the proposed Virginia Mayflower Board of Assistants slate of officers for the 2018-2021 term. Voting will occur during the business part of our Compact Day Luncheon. In addition, this issue contains updated results from the 2017 Membership Survey.

This will mark the end to my term as your Governor. It has been a pleasure and an honor to serve you. As I reflect over the past three years, we have accomplished a good deal. We have seen our membership numbers steadily increase. Our Historian, Jamie Callender, and his band of Assistant Historians, Deb Shea, Cynthia Carlson, Elisabeth Wood, and Page Pelliconi, worked tirelessly guiding prospective members through the application process. Junior Membership numbers remained steady. Through Deputy Governor James Maloney's efforts, we had a record number of scholarship applications in 2018. The Education Committee under the guidance of John Copenhaver created a list of educational resources for parents, grandparents, and educators as well as a list of children's books about our Pilgrim heritage. In addition, John is working closely with the Virginia Museum of Fine Arts staff to create a program to kick off the Virginia Mayflower Society's 2020 commemoration of the 400th anniversary of the Mayflower voyage. Along those lines 'Captain, My Captain' Channing Zucker with input from Society members created a Guest Speakers List. Speakers, such as Jamie Callender, Reid Dunavant and John Caramia, enthralled us with their stories and presentations. Treasurer Janita Sullivan and Finance Chair Mark Cox kept our finances strong. Secretary Rebekah Fleury organized our membership roster and worked closely with Jamie Callender in maintaining our digitized membership records. Surgeon Arthur Gower kept us up-to-date regarding medical information, and Elder Nancy Barrow soothed us with her blessings. Past Governors Mildred Ramos, Mark Cox, Martha Ellen Brockner, and Betty Diakun were only an email or phone call away when their advice and guidance was needed. It has been a wonderful voyage. Thank you for allowing me to take the helm.

Whit Perry

Director of Maritime
Preservation and
Operations

In his role as Plimoth Plantation's Director of Maritime Preservation and Operations, Whit Perry is responsible for all aspects of the Museum's maritime program, including the multi-year, multi-million dollar Mayflower II Restoration Project.

Whit came to Plimoth Plantation with more than thirty years of experience working with wooden boats. His most recent post was at the Jamestown-Yorktown Foundation where he maintained and operated three square-rigged vessels for ten years. Whit has a long history with ships and sailing, having journeyed all over the North Atlantic, Caribbean, and the Mediterranean. He has sailed a wide variety of vessels, from small catboats to square riggers, schooners, and sloops.

Draft Minutes of the Virginia Mayflower Society's Spring Luncheon Meeting at the Hotel Strasburg in Strasburg, Virginia on May 5, 2018

Governor Lee Woody called the meeting to order at 12:40 p.m. and welcomed those in attendance, including first time attendees and guests.

Elder Nancy Barrow offered the Invocation and Blessing.

Captain Channing Zucker made mention of the fact that there is no comma, and therefore no pause, between the words "one nation" and "under God" in the Pledge of Allegiance to the Flag of the United States of America. He accordingly led the assembly in the Pledge of Allegiance as well as the Pilgrim Pledge.

Governor Woody introduced those seated at the head table: Guest Speaker Mr. Reid Dunavant, Secretary Rebekah Fleury and Elder Nancy Barrow. She also introduced Former Governor General and Past Governor Mildred Ramos and Past Governor Mark Cox who were also present.

After a recess for luncheon, the meeting reconvened.

Speaker Committee Chair Capt. Channing Zucker introduced the speaker, Mr. Reid Dunavant, Sr. VP and Director, Doyle Auctioneers and Appraisers, Washington, DC, specializing in furniture and decorative arts. Mr. Dunavant joined Doyle New York over 15 years ago as the specialist in charge of Doyle's 19th and 20th Century Decorative Arts Department until 2004 when Doyle opened its first office outside of New York. Mr. Dunavant spearheaded Doyle New York's expansion into the Mid-Atlantic region from the Washington, DC office. Mr. Dunavant lectures frequently on a broad range of topics including specific collecting areas such as Antique Silver. Additionally, he has shared his expertise as an appraiser on the popular television series Antiques Roadshow. His program featured acquisitions and appraisals of rare and exceptional furniture, jewelry and decorative arts.

The Roll Call of Passengers was read by Historian James Callender.

Historian James Callender reported that the Virginia Mayflower Society had 26 new member applications and 6 supplemental applications approved since the Fall meeting. One member has transferred out.

There are currently 20 new and 8 supplemental applications pending in Plymouth and we are working with 164 potential new members.

The minutes from the 2017 Fall meeting were approved as published in the newsletter.

Junior Membership Chair James Maloney reported that we have welcomed 28 new Junior members to the Virginia Mayflower Society. Since the Spring newsletter we have gained an additional 9 Junior members.

Mildred Ramos Scholarship Chair James Maloney reported that 27 essay applications were received by the committee and that 3 of them were exceptional. Chairman Maloney and Governor Woody announced that the winner of the 2018 Mildred Ramos Scholarship is Kristen Maggard, a senior at Central High School in Wise, VA. Unfortunately Miss Maggard was not able to accept her award in person. She plans to attend UVA in the fall.

Governor Lee Woody announced the Virginia Mayflower Society will donate \$500 towards the restoration of the Mayflower II. Capt. Mark Whitney "Whit" Perry, Director of Maritime Preservation and Operations for Plimoth Plantation, is scheduled to speak on the Mayflower II restoration at our 2018 Fall meeting.

We have exciting plans for our 2019 Spring meeting at the Virginia Museum of Fine Arts in Richmond.

The General Board of Assistants meeting will take place September 5 - 9, 2018 at the Pheasant Run Resort, 4051 East Main Street, St. Charles, IL.

The next meeting of the Virginia Mayflower Society will be on November 17, 2018, at the Commonwealth Club in Richmond, VA.

Following the Benediction by Elder Nancy Barrow, the meeting adjourned at 2:30 p.m.

Education Chairman

We are currently in discussion with Jeffery Allison, Manager of Statewide Programs and Exhibitions, Art and Education Division at the Virginia Museum of Fine Arts, about putting together a presentation for the Virginia Mayflower Society. Jeffery suggested a potential topic of the year 1620, the year the Mayflower arrived. The presentation would include discussion of events in 1620 which contributed to the decision of the Pilgrims to make their voyage. The presentation would be supported by a tour of objects from the vast collection of VMFA to illustrate topics discussed. We are intrigued with the promise this project offers and are delighted to work with VMFA toward its success.
