

The Virginia Mayflower

The Society of Mayflower Descendants in the Commonwealth of Virginia

VOLUME 47 FALL 2020 NUMBER 2

From the Governor

The 400th Anniversaries of the May-I flower Compact and of the arrival of the Mayflower in Plymouth have just passed. 2020 began with the California Society's float in the Rose Parade in Pasadena and high hopes for celebrations to be held in Plymouth, Province town, and Boston. Sadly, the Covid 19 pandemic caused all of those celebrations to be canceled. As the pandemic continued, the Virginia Society was compelled to cancel its annual Spring and Compact Day (Fall) luncheons. The illness of the Chairman of our Scholarship Committee caused a delay and eventual cancellation of the Ramos Scholarship for the 2020-21 school year

It is very disappointing that the Virginia society will have no in person meetings this year, particularly unfortunate with the additional of so many new members. Since the Historian's report in the Fall of 2019, there have been 117 new members and 53 supplementals (additional lines of descent for existing members). Jamie Callender, our historian, and the Assistant Historians, Elizabeth Wood, Page Peliconi, Rebekah Flurey, Deborah Shea, Robert Perry, and Deborah Misiag, have done a wonderful job working to process applications. In addition to the new members whose applications have been

approved, there are over 45 applications waiting approval in Plymouth and more than 350 applications in process. Earlier this month one of the assistant historians began working with a ninety-seven-year-old lady in Richmond who hopes to join.

As a result of the pandemic, past Governor General Miss Mildred Ramos, who turned 94 this year, has since March been confined to her residence in Richmond's Westminster Canterbury. For the first time in more than fifty years she did not participate in the General Society's tri-annual Congress. She also resigned as Assistant Secretary of the Virginia Society, in which position she had for decades arranged for and organized our annual luncheons. The Virginia Society owes her a tremendous amount of gratitude for her help, inspiration, and for mentoring its officers.

For the last two years, the number of new membership applications has swamped Plymouth. Each must be reviewed before approval. Because of a backlog, for the remainder of the year Plymouth will approve new applications only until December 18, and for the remainder of the year only Supplemental Applications will be approved. Application fees are increasing. The fee for an application postmarked after January 1, 2021, will increase from \$75 to \$125.

Since September 26th when new general officers were elected at the Congress, membership certificates for new members

have been unavailable. On November 22nd a newly designed membership certificate signed by the new Governor General and the Historian General

James Hallett Maloney

became available, so we can soon resume sending certificates to new members.

Virginia Membership Dues. Our Society's policy on dues ties our dues to the General Society's dues, so the increase in the General Society's dues from \$15 to \$35 will necessitate a review and, perhaps, a change in our dues. Notice of dues have been recently sent to members, and there is no change in the dues due this year.

Spring Meeting. The Spring Luncheon Meeting will be held May 1st at the Hotel Roanoke in Roanoke Virginia. The Policy of the Virginia Society is to alternate the Spring Luncheon between the eastern and western part of the state. The meeting in the Spring of 2019 should have been in the western part, but the opportunity to have our meeting the Virginia Museum caused us to ignore that pattern. Now we will be back in the western part. Our speaker at the meeting with be Lisa Pennington of the Texas Society. She is the new Counsellor General of the General Society, and previously she was a Member at Large of the General Society's Executive Committee.

Our Spring Meeting will be held Saturday, May 1 at Hotel Roanoke, Roanoke, Virginia

General Society Congress

A special virtual Congress was held on September 26th as a ZOOM meeting. The Virginia Society was represented by its former Governor, Lee Woody, in her capacity as Deputy Governor General, and by its Governor, James Maloney, in his capacity as Assistant General. Fifty-four member societies were represented. As it was a Zoom meeting, each member society was limited to two attendees. The Congress adopted amendments to the General Society's Bylaw and elected General Officers and Directors. Those recommended by the Nominating Committee were elected, and the new General Officers, who took office the date of the Congress, are

Position	Name	State Society
Governor General	Jane E. Groves Riddell Hurt	Kansas
Assistant Governor General	Donald T. Studley, CPA	Connecticut
Secretary General	Meg Averett	North Carolina
Treasurer General	Elizabeth "Liz" W. Gaudreau, CPA	Colorado
Historian General	Marjorie K. Hurtuk	Connecticut
Counsellor General	Lisa Pennington, Esq.	Texas
Elder General	Rev. Dr. Thomas F. Pike	New York
Captain General	Carter Wiese	South Dakota
Surgeon General	George J. Hill, M.D., D.Litt.	New Jersey
Directors at Large	Lorrie Link for the West	
	Bonnie Wade Mucia for the East	
	Jane D. Schleinzer for the East	

With some modification, all of the proposed Bylaw changes were adopted.

Application Signature: The requirement for an original signature on a lineage application or supplemental was removed so each state society may determine it own requirement. Electronic signatures are now permitted.

Application Fee: The amount of the fee for a lineage application or supplemental will be set after recommendation from the Executive Committee and adoption by a General Board of Assistants Meeting or a Congress. The amount was set at \$125, effective January 2021.

Dues: The amount of General Society dues each member society must pay annually for each of its members will be set after recommendation from the Executive Committee and adoption by a General Board of Assistants Meeting or a Congress. That amount of dues was set at \$35, effective January 1, 2021, with a four-year phase-in for life members.

The Virginia Society was one of only four state societies to oppose removing the requirement that any change in application fees or dues be made by a tri-annual Congress.

New from the General Society

An Abbreviated Annual Report has been issued for the year ended June 30, 2020. Also, the General Society's Policy Manuel was revised October 16, 2020. Both are available in the Members Only section of our web page:

Bonnie Wade-Mucia of the SC Society is the Board Member at Large, and the Virginia Society is one of the Societies for which she will act a liason with the General Society.

Education Chairman

John Alden Copenhaver, Jr.

We face some challenges these days, to say the very least.

I am reminded of an excerpt from The Pilgrim Pledge, "To recall and cherish the sacrifices and struggles made by them for the common good; to study their lives, deeds, faith, courage, and character – and to draw inspiration therefrom..."

And with the holidays fast approaching, we are reminded of the need to remember that for which we are thankful. Family, friendship, and fellowship are the glue that brings us together and makes us whole. We do what we must to take good care of each other. The strong character that sustained our ancestors is within us as well. Within our own households and within our communities, small acts of kindness and courage can make a difference in a way that may not be immediately apparent.

Imagine that tiny ship on stormy waves in the middle of the ocean. It was too far to return home and seemed too far to keep going into the unknown. As a metaphor, that moment is when we find what we are made of and our true character. If our ancestors could navigate that, survive and prosper, then so can we.

When I was six and my brother eight, our father became ill and for medical reasons, couldn't be around the barns for two years. A herd of Angus cattle, three milk cows, six horses, etc., had to be fed and cared for twice each day. Between the two of us, my brother and I managed to lift heavy bales of hay, and manage the tractor and wagon. I was not yet tall enough to reach the pedals so my brother drove the tractor. Somehow we managed to get the animals fed; cows milked, and catch the school bus by 8:15 each morning then repeat the chores again after school each afternoon. Looking back, I wonder how all this was possible. Strong parental guidance and seventy five hungry mouths to feed each day probably had something to do with it as well perhaps, and the example of a strong work ethic and character from our elders.

The experience of that kind of upbringing and the necessary problem solving skills which developed as a result of it has sustained me later in life. So, as we recall and cherish the sacrifices and struggles, and study lives, deeds, faith, courage, and character, which have shaped our own lives, and that of our Pilgrim ancestors, we have a great deal to be thankful for. The pluses generally outweigh the minuses when we thoughtfully consider and reflect upon our lives.

And we pledge, "To do everything within our power to deserve and preserve the heritage, and at all times, and in all ways, to profit by The Pilgrim Example".

Best wishes for a Happy Thanksgiving!
